Committee 14 Assessment of Institutional Effectiveness Approved

Recommendations

1. Recommends adopting the assessment system for “Assessment of Administrative Services” in use at GSU at the time of consolidation.

2. Recommends adopting the oversight structure “Assessment of Administrative Services” in use at GSU at the time of consolidation modified as necessary to include representation of units currently at GPC.

3. Recommends adopting the electronic assessment system for “Mechanisms for Assessment of Student Learning” in use at GSU at the time of consolidation.

4. Recommends adopt the oversight structure “Mechanisms for Assessment of Student Learning” in use at GSU at the time of consolidation modified as necessary to include representation of units currently at GPC.

5. Recommends that the consolidated institution should perform Academic Program Review for every academic program at least once every seven years, and that the review process should be differentiated as appropriate for two-year and four-year programs.

6. Recommends that the GSU data warehouse will remain the authoritative source for institutional numbers for the consolidated GSU. Data from the GPC Banner system will be extracted and loaded into the data warehouse until the two Banner systems are merged.
